

Mid Year Visplay Do you believe in Magic? Sunday 30th June CASEY GRAMMAR PERFORMING ARTS CENTRE

WELCOME

The Mid Year Display is a relaxed performance in a theatre setting to showcase what our students have been learning and preparing. We are excited to showcase the students hard work to our dance family and friends!

Photos + Videos

You are welcome to film and take photos <u>of your child</u> throughout the performance. We ask that these images are not shared to social media due to child safety.

Please NO FLASH photography as it can distract students onstage.

Check-In Procedures

Students will be dropped to the marked check in desk, just follow signage at the venue. There will also be signage to show you where to collect them as well. <u>Please bring your phone with you</u> to make the process faster. Be patient as this process takes about 20 minutes to ensure all children are safely checked in/out.

Students MUST arrive max 30 minutes prior for check in. Please send your child dressed in the correct attire including their wrist band on their left wrist (preschoolers only), and clearly label any bags that include change of shoes (for those in more than one class). Check in desk will close approx 15 minutes before the show starts so please do not be late as your child may miss their performance.

Teachers will take children backstage into a classroom whilst parents find their seats in the audience. Children can be collected after the show has finished, not during the performance for safety reasons.

Doors with Backstage Access will be locked throughout the performance for the safety of our students.

How to Have a Good Performance Day

Eat a healthy meal before, rest and sleep. Lots of praise and encouragement. After the show, give lots of positive reinforcement regardless of their performance. This is very important for confidence building.

Can I Pack Food + Drinks for my Child Backstage?

Students are only attending for a very short time, please feed them a healthy and sustainable meal prior to the dress rehearsal or show. Only a water bottle will only be allowed at backstage, no food or coloured drinks allowed.
